

It is our hope that all people coming to Hillingdon Park Baptist Church would want to be in a group.

Our vision is for each of us to grow and learn more about Jesus and each other. To use the gifts He has given us and to reach out to others through small groups.

If you are not in a Discovery Group, we would ask you to think about joining a group for what you can give as well as receive.

If you would like to consider joining one of the existing groups please telephone the group leader.

Please pray for the leaders of the groups and consider whether or not you could lead a group.

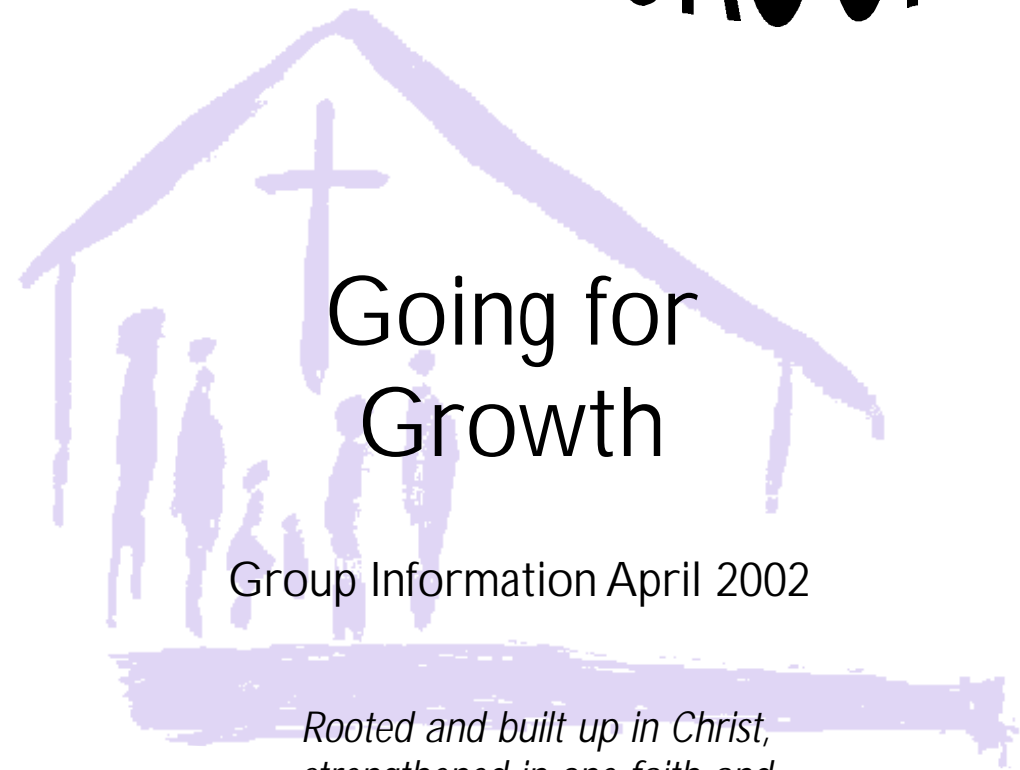

Contact us if you would like to talk about anything related to Discovery Groups.
